

University of Wyoming College of Education Block Articulation Guide
 Laramie County Community College – AAS Trades & Technical Studies
UW Bachelor of Applied Science in Career & Technical Education (CTE)

Block 1: USP (University Studies Program) Requirements

Students entering UW who have completed the AAS in Trades & Technical Studies from LCCC will be required to complete the general education requirements of UW (USP) in order to earn the BAS in Career & Technical Education (CTE) degree. Many of these courses will be available to students while they are enrolled in their AAS degree program and are listed here. For more information about USP, please refer to <https://www.uwyo.edu/usp/>.

Specific courses taken to satisfy General Education requirements at LCCC may not be specifically listed in this document, but are considered essential to prepare the student for entry into the Bachelor’s degree program at UW.
