think it was a good idea and others that it was. The school Gillette College I thought it would be a good idea was UW. The only problem with that is that they have to pay to recycle their products. So we have that instead of completely being a recycling committee that we would start to go paperless and stuff and put flyers up to encourage other students on campus to start going paperless. And example of this would be putting a sign above the printer is saying do you really need to print that.

    ii.   Committee reports- report out next agenda meeting: this is just a reminder to meet with your committee and present what you are going to be doing at the next agenda meeting. This means meeting with your committee groups outside of meeting time

V.    Old Business

    a.   Course fees- approval and memo: This is from when president Schafer piped in

d. Constitutional revisions: Cole sent out an email and also uploaded the constitutional review to canvas so he would just please ask that you go and review that because we will be voting on that within the next couple of weeks.

VIII. Reminders
   a. Desk Hours: just a reminder that we had a piece of paper go around for desk hours this semester. Don't forget that desk our start up again this semester so please be attending those.
   b. Food pantry hours: another reminder just to make sure that you get your five hours in for the semester in the pantry.
   c. Meet and Greet: and a reminder that we also have meet and greet next week with the different clubs a reminder to also be there earlier than two as we will be starting promptly at 2 o'clock.
   d. Sodexo report: We need to make sure that we have questions to bring to Rick Johnson should he invite the Sodexo committee to look at the Sodexo contract.
   e. Club meetings: We have went around and decided that we will be assigning different senators to different clubs that are out of their element. The goal is to go to these clubs before the applications are due so that we have some knowledge going into our decisions.
